Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT
(SHRI BABUL SUPRIYO)

(a)to (e): During 16th − 31st December 2015, the focus of the thematic cleanliness drives was RWAs and housing societies. As part of this, awareness drives were held among Resident Welfare Associations (RWAs) residents in cities to educate them on solid waste management techniques such as household level segregation of waste, etc. Municipal Corporations and state directorates were asked to nominate and send names of proactive RWAs in their states / cities who had been doing good work in the area of sanitation and solid waste management to the Ministry of Urban Development.
From the list of RWAs nominated by the Municipal Corporations and State Directorates, 32 proactive RWAs were identified (based on feedback from the cities and states) and their work acknowledged publicly by the Government through a newspaper advertisement in leading newspapers.
